## DINE

The city of Eugene is located in the fertile Willamette Valley, home to many farms, orchards, and ranches. Those high quality, seasonal ingredients make their way to the plates of many of our restaurants and markets downtown. We're also known for our craft beers, excellent wines and locally produced spirits. Enjoy a taste of Oregon while you're downtown!

## EXPLORE

We invite you to explore the outdoors near downtown! Hike Skinner Butte, enjoy Riverfront Park, throw a frisbee in Alton Baker Park, jog the path to Autzen Stadium or wear the kids out at RiverPlay Discovery Village Playground. Follow up the excursion with a visit to one of downtown's spas, salons or yoga studios.
